Members can use **Glasses.com** and **contactsdirect.com** as an in-network option to purchase frames and contacts.

For glasses:

- Simply send a picture of the prescription. Lenses are available for most prescriptions, including progressives and multifocals.
- Orders are fulfilled and shipped free the following day.
- Once received if you need an adjustment visit any LensCrafters.

For contacts:

- Select your lenses from a wide selection of top selling brands.
- Contacts will ship as soon as the prescription is verified – most that same day – and for free.

Additional benefits at no additional cost.*

- 5-15% savings on LASIK or PRK services through the US Laser Network.

Out-of-network benefits.

Direct Vision also offers out-of-network benefits. Members will realize the biggest benefit savings when they utilize an in-network provider, but our plans reflect the understanding that it is not always possible. When an out-of-network provider is utilized, the member pays the provider the appropriate fees and then requests reimbursement from the plan. The plan will reimburse up to the amounts indicated in the schedule to the right.
